WORK EXPERIENCE

Anthology

IT Support BlackBoard:

Jul 2025 - Jul 2026

- Managed and resolved complex technical issues for Blackboard users, leveraging cloud based toolsets such as AWS, and ensuring meticulous documentation in enterprise CRM systems.
- Collaborated with Strategic Partnership Directors to streamline platform requirements and support contract operations.

STRIPE

RISK T1 | C1:

Apr 2023 - Jun 2025

- Assisted Stripe Users with account issues via Email.
- Helped Users resolve problems and informed them of their account status, including critical situations.
- Developed skills in identifying issues such as money laundering, credit card theft, and card testing on the platform.
- Identified problems related to other departments, documenting and scaling them appropriately.

SAI Avianca Holdings

Ground Operations & Logistics Agent

Jan 2023 - Apr 2023

- Managed baggage reconciliation processes with BRS for national and international flights, ensuring OTD targets.
- Orchestrated ground support and baggage flow, acting as shift supervisor in high volume operations.
- Executed security protocols for critical cargo as Levels 5 and 6, handling specialized oversized equipment.
